

Girlguiding

West Mercia

girls in the lead

Are you interested in experiencing more about taking a group abroad?

I am currently planning our County's International trip to Paris and I am looking for a guider who is keen to experience being on the planning team.

Maybe you have never had the confidence to work towards your traveling abroad module or you just want to know more.

We are going to Paris with PGL on the 24th -28th October which is half term. It will cost approximately £ 75 which will cover your activities, trip uniform and food on travel. Transport is coach and ferry.

You do not need to have a licence, just a genuine interest in learning about taking a group abroad.

To know more or to apply please contact me. My contact details are in the West Mercia County book.

You need to be willing to come to planning meetings and the group get togethers.

I look forward to hearing from you.

Ruth Crowder
International Adviser
